Cops defending the people who have been executing them and calling for them to be defunded.

Good luck having no one backing you anymore.

If you didn't bring your "toys" to DC with you, you don't really mean business. DC is federal land and legal no matter what anyone says.

I mean you're right. It should be real 1776 if anyone wanted this fraudulent election to be fixed. It was just a LARP. Unarmed protesters going up against armed DC police, and they got murdered.

“Trump Supporters”

Be careful of the agitators in the grey hats. There are rumours that they are antifa agent provocateurs. They are the ones leading the assault on the capitol building.
